SELLING?

Basildon Philatelic Society's bi-annual Auctions offer full and associate members a convenient method to sell single stamps, sets, accumulations, collections, accessories and philatelic literature.

The emphasis is on better quality material. The auction is ideal for selling more expensive single items or items too large for the exchange packet. This is reflected by a £2 minimum reserve on each lot. Items under £2 in value may be aggregated together or sold through the Society's Exchange Packet; please ask for details.

Associate membership is open to anyone wishing to sell through our auctions. This costs only 50p and can be deducted from your returns.

If you are interested in selling through one of our auctions please contact the Auction Secretary at the following address.
