WELCOME TO THE SOCIETY!

To a new member joining any Society, being presented with what seems to be a large rule book could be a very daunting experience. I must therefore make it clear that the philosophy of the Society is that rules are only here to protect us all in times of trouble, and to guide members who take part in the special functions within the society, such as competitions and the exchange packet. Under normal circumstances, we rarely refer to them because, in reality, they are just a combination of common sense and good manners.

Nevertheless, we would hope that you will read them and abide by them whilst you are a member of the Society.

At the time of writing, we meet in the George Hurd Centre, situated close to the town centre, in Audley Way (SS14 2FL), off Broadmayne, at 7.30pm for 7.45pm, on the first Monday and third Tuesday of each month, public holidays excepted.

At a typical meeting, that first quarter hour from 7.30pm is an informal period to allow members to exchange greetings and information and do private deals, and to allow the Committee to welcome any visitors and undertake such administrative work as may be necessary for the day-to-day running of the society. At 7.45pm, the Chairman calls the meeting to order and announcements are made of any news for members. He then announces the purpose of the meeting and hands over to the night's speaker for the rest of the evening. Tea or coffee is served at around 9pm, after which the evening's event normally continues until 9.45pm, when we close to enable the car park to be cleared by 10pm in line with planning limits.

Meetings typically include invited speakers and member events. Such events include displays, competitions (formal and informal), auctions and quizzes. In addition, there are an exchange packet and a newsletter including articles provided by members. Stamp fairs may be organised from time to time.

Membership is open to all persons aged 12 years or above (this age can be waived by the Committee under certain circumstances; persons under 18 years of age must be accompanied by a responsible adult), and the membership fee at the time of writing is only £13.00 for the year (£2.00 for Juniors up to 18 years of age).

Members also pay £1 attendance fee at each meeting towards hall hire and refreshments (if any).

We hope that you will find the Society a happy one to belong to and that you will take an active part in our meetings.

DATA PROTECTION ACT

Members are advised that, in addition to the data published in this Handbook, the Society maintains lists of members' names, addresses and telephone numbers for the purposes of communications only. Such lists are not divulged to third parties. Members wishing any data to be omitted from the Handbook or mailing lists should contact the Editor and Secretary respectively.

THE HISTORY OF THE SOCIETY

The Basildon Recorder newspaper for 5 July 1968 reported that a stamp collectors club had been formed at an inaugural meeting held at Woodlands Boys School. This was at the instigation of a group of employees of Basildon Urban District Council. Early meetings were held at that site, but, after access difficulties, some subsequent meetings were held in the Council Offices.

In 1969, we became affiliated to the Association of Essex Philatelic Societies, the body which forms a focal point for liaison between all the societies in Essex.

Our meetings moved to the Painting Studio of the then Arts Centre (later the Towngate Centre) in 1970. This provided a good home for the Society near the town centre until its demolition without replacement in 1988.

The fledgling Society held its first exhibition in 1971 as part of the Basildon 21st Anniversary celebrations, marked by a commemorative cover issued by the Society.

An annual Stamp Day exhibition and fair was a feature of Spring in Basildon until recent years. Originally held at St. Martin's Church Hall, near Towngate, it was later usually held at a school and usually attracted several hundred visitors from all over Essex and neighbouring counties.

1978 saw the 25th anniversary of Basildon becoming a Head Post Office, and the Society co-operated with the Post Office in the production of a further commemorative cover for the event, marking the start of a close working relationship with the Head Postmaster in Basildon that lasted until the office was downgraded. That year also saw us join the British Philatelic Federation, the national co-ordinating body for philately.

A second annual event, an Autumn Stamp Fair, was also held at St. Martin's Church Hall, but without displays, in 1979. This fair was also held in 1980 and 1981.

By 1981, the exchange packet was flourishing and, following an unfortunate experience, it was decided to join the British Philatelic Federation Exchange Packet Section (now defunct), as a result of which we obtained new sources of external books for circulation and a means of avoiding "bad risks".

In 1982, Basildon Philatelic Society played host to the annual Autumn Rally of the Association of Essex Philatelic Societies, so, for that year only, the fair was held in the Spring, and Basildon Stamp Day was held in October at Pitsea Leisure Centre, then newly opened.

This event succeeded in attracting additional members from the Pitsea, Stanford-le-Hope and Corringham areas, where membership had hitherto been very sparse, and consequently, subsequent autumn fairs were held at Pitsea Leisure Centre. This event was known from 1985 onwards as Pitsea Stamp Day and included a small exhibition.

Basildon has always been a very active society in county affairs, providing a consistent representation on both the Council and Executive of the AEPS and entering most annual AEPS competitions. After many years trying, Basildon's first county successes were the Quiz trophy in 1984, and the Stokes Cup and Stamps, Postal History and Novices Trophies in 1985.

For services to organised philately in Essex and our Society in particular, our then Chairman, the late Harry Smith, was awarded the British Philatelic Federation Award of Merit in 1985.

The Basildon Stamp Day was transferred to Laindon (St Teresa's Church Hall) in 1986, while the 1987 spring event was cancelled due to the planned venue not being ready in time.

1988 was a problem year for the Society, with the demolition of the Towngate Centre and consequently an enforced change of venue, initially in March to the nearby Unemployed Workers Centre, which proved unsuitable, and then to Laindon Community Centre in July. This led to the pleasant problem of growing attendances outstripping available room capacity! Our AEPS Quiz team brought the year to a successful conclusion with victory for the second time.

Having settled in successfully at Laindon Community Centre, the decision was taken in 1989 to move all stamp days to the same venue, due to falling attendances at Pitsea and consequent dealer reluctance to participate in events there. Although attendances stabilised at Laindon, we never returned to the high attendances of the 1970s, probably due to the competition from a surfeit of commercial fairs.

Our long-serving Treasurer, the late John Church, became our second recipient of the BPF Award of Merit in 1991.

We hosted at Laindon the AEPS "StampEssex" Stamp Day in 1993 to celebrate our Silver Jubilee and, by coincidence, won the prestigious Stokes Cup at the same time. The same year also saw other Basildon successes in AEPS competitions.

The BPS became one of the first societies in the country to operate an Internet website, in the mid-1990s, through the efforts of Charlie Mead. This attracted interest from all around the world.

Our society newsletter, "The Basildon Stamp Collector" (later "The Basildon Philatelist") was launched in January 1996 and was well received.

Two year later, in 1998, we again hosted StampEssex, but this time combined with the inter-federation Dawes Cup competition, for which purpose the title "Home Counties Stamp Day" was coined. The event was also our first "BasPex International" in that the event was graced by a display from our twin town philatelic society in France, Meaux. We had also displayed in Meaux's regional exhibition earlier in 1998.

From the start of 2000, we moved from Laindon to the George Hurd Centre, close to Basildon town centre. The improved environment at the new venue resulted in a growth in attendances and gave more flexibility for programme planning. The original centre was closed for redevelopment in May 2008, so we moved with the centre to new premises in Audley Way, on the other side of the town centre, from the June 2008 AGM.

From 2009, the society's meetings began and ended 15 minutes earlier, at 7.45pm and 9.45pm respectively to enable the centre to be cleared by 10pm in accordance with planning restrictions.

Since the 2011 AGM, members have paid £1 at each meeting that they attend to help defray the cost of the hall. Refreshments are consequently provided free-of-charge.

The society marked its Golden Jubilee by hosting StampEssex and a number of special events including a strong publicity drive in the hope of gaining new members to replace recent losses. Our surviving founding member

was awarded Honorary Life Membership at the 2019 AGM to mark his 50 years of support for the Society.

MEETINGS AND SPECIAL FUNCTIONS

Archives: These exist to maintain a record of the Society's activities by means of press cuttings, programmes, handbills, etc. Members' contributions are always welcome, however small, as the Archivist cannot keep track of everything that is published about us and much early material was lost!

Auctions: Auctions are normally held twice a year on average and enable members to buy or sell material with the enjoyment of an auction. The Society funds benefit from a small commission on sales. See the Auction Rules for further details.

Competitions: Participation in competitions is voluntary, but we encourage all members to participate, so that we have a fund of members who can represent us at County level. Those who do participate, and those who watch, find it enlightening to hear the judges' constructive comments on their efforts. In Basildon, we have annually 14 trophies for 8 competitions:

For all members:

- Stamps Cup for traditional (stamps and postal stationery).
- Postal History Cup for postal history.
- Thematic Cup for thematic displays.
- Aerophilatelic Trophy for aerophilately.
- Cinderella Trophy for Cinderella displays
- Colvill Modern Material Trophy for modern material.
- Picture Postcard Trophy.

Special trophies are provided:

- For novices:
 - Harry Smith Cup for traditional entries;
 - Postal History Novices Cup;
 - Post Office Cup for thematic displays.
- For best (adult) lady entry in the year's competitions:
 - Ladies Cup.
- For junior members:
 - Junior Cup for stamps and postal history.
 - Junior Thematic Cup.

In addition, there are occasional informal "One Page" and "8 Sheets From My Collection" competitions open to all and judged by members.

Dinner: An annual dinner was held early each year on an evening, to which all members and their personal guests were welcome. This operated strictly on an advance booking, self-financing basis, so that numbers could be agreed with the caterers. In recent years, lack of a volunteer to organise this has prevented its taking place.

Exchange Packet: This enables members to buy and sell stamps in the comfort of their own homes. Members put stamps in special booklets and indicate above the stamps the price for which they wish to sell them. The booklets

are passed to the Packet Secretary who parcels them up and circulates them to a list of members who have expressed their wish to receive them. Members take what they want, pass the packet to the next member, and send the money plus a form to the Packet Secretary. At the end of the circuit, the Packet Secretary pays the vendors and returns unsold material. The Society funds benefit from a small commission and insurance charge on sales.

Film Shows: We have occasionally been entertained to an evening of films from various sources, including the Post Office Film Library, but the opportunities for these are now few and far between.

Informal Evenings: These are evenings set aside for members to exchange material and information, buy and sell, etc. They may be combined with another event, such as Competition Night. Whilst every attempt is made to keep these free of organised events, it may occasionally be necessary to use an informal night to accommodate a speaker who has been unable to make a previously arranged date due to unforeseen circumstances. Wherever possible, we arrange for at least one dealer to display his wares on informal evenings.

Library: The Society librarian keeps a large collection of catalogues and other reference material to which members can refer. Ask him to see the library list and he will arrange to bring the book to the next meeting or another mutually acceptable occasion.

Newsletter: "The Basildon Philatelist" is published quarterly and all members are encouraged to provide news items for publication therein.

Quiz: Two such competitions are usually held annually. The Tomex Cup is a light-hearted affair for members as part of the Christmas Festive Evening. A more serious, but friendly, inter-society competition for 3-man teams between Basildon Philatelic Society and our near neighbours, the Billericay and District Philatelic Society has been held annually since 1987. A Society team is also entered in the AEPS Inter-Society Quiz if it is held.

Speakers: We receive speakers on a wide variety of subjects, both individually and as members of visiting societies. Subjects have included stamp design, printing, marketing, stamps, postal stationery, postal history, thematic, post-boxes, airmail services, and many others.

On **Member's Nights**, we have also received many interesting displays from our own members. We never cease to be amazed at the variety of ways that exist to collect and the material that members produce at these meetings. Do not be afraid to bring along a few sheets (anything from one to 72!). They do not need to be written up or specially prepared, and you can talk about them as little or as much as you like. The more who participate, the more we can enjoy the evening!

Stamp Days and Fairs: Two Stamp Days (combining, where possible, an exhibition contributed by members with dealers' stands) were normally held annually at a suitable venue. However, in recent years a surfeit of such events has made it more difficult to attract dealers and

customers, so the society will now only hold a fair every five years under the AEPS StampEssex brand. Members are asked to assist in providing displays and raffle and tombola prizes, setting-up, stewarding and operating Society raffle and tombola tables on the day if possible.

Visits: Visits are arranged to give displays to other societies, and to other places of interest. Past visits have included Mount Pleasant and Basildon Sorting Offices, the Post Office Railway and an auction house.

Website: The society operates an Internet website giving publicity to its activities, including fairs and auction lists and participates in AEPS and other relevant websites.

Full details of the AEPS and its activities, and rules for its competitions, can be found in *Philately in Essex*, the Handbook of the AEPS and on its website <http://www.stampessex.org.uk>, which hosts the Society's site.

Arts in Basildon (currently inactive).

Formally the Basildon District Arts Association, this body co-ordinated activities by arts bodies throughout the Basildon District Council area and acts as an intermediary between the Council and Basildon development Corporation and the member societies. It also provides a central point for arts funding in the area, but has been inactive of late. Two representatives of the Society are entitled to participate in meetings, if/ held.

Association of British Philatelic Societies.

This is the principal national body co-ordinating philately in Great Britain. It provides a national forum for discussion on philatelic policy issues, publishes a quarterly magazine and an annual Yearbook. The national **Philatelic Congress of Great Britain** is held annually.

The Society is represented by the AEPS and is able to send delegates to the AGM of ABPS, which is usually held at Congress. ABPS represents the Society at the **Federation Internationale de Philatelie (FIP)**, the world governing body of the hobby, and FEAP, the European regional body.

 - 3.2.3 "Bell and buzzer" fast response questions open to all.
 - 3.3 If the last-named type of question is included, then a balance between this and one or both of the other types should be arranged to avoid an embarrassing result for either team.
 - 3.4 Each team shall have the opportunity to answer the same number of questions in each round (except bonus questions as below). Each question shall have the same points value, but may be made up of separate parts to reach this total.
 - 3.5 Should a team give a wrong answer, or fail to begin an answer within ten seconds, it shall be offered as a bonus to the other competing team(s), who will be allowed no time to consider the question.
 - 3.6 In the event of a tie, an additional round of questions shall be put in turn to the teams.
 - 3.7 With regard to the accuracy of answers, the decision of the Question Master is final and he or she may use whatever reference books he or she wishes.
4. **Any other matter.**
 - 4.1 Any matter not covered by these rules may be decided by the organising societies or the Quiz Master as may be appropriate.

* Since deceased.

ABPS REPRESENTATIVE

As BPF Representative, the Secretary ex-officio was formerly entitled to attend and vote at the Congress AGM of the British Philatelic Federation. The Society is now represented at meetings of the ABPS by the Delegate(s) of the AEPS.

BPF EXCHANGE PACKET SECTION REPRESENTATIVE

This was the Packet Secretary ex-officio. This post is now defunct.

BDAA DELEGATES

These are the Secretary and Treasurer ex-officio, or their representatives.

SOCIETY BPF CONGRESS DELEGATE

Any two members who wished to attend the BPF Congress and represent the Society could volunteer to do so, but had to meet their own expenses. The Committee could agree to pay certain costs agreed beforehand at its discretion. BPF is now defunct and Congress welcomes all comers. Any members may attend the Philatelic Congress of Great Britain at their own expense.

EXCHANGE PACKET BPF CONGRESS DELEGATE

This was nominally the Packet Secretary ex-officio, but he could delegate it as above under the same conditions. This post is now defunct.

LAINDON COMMUNITY CENTRE COMMITTEE REPRESENTATIVE

1994-1999 C J Dowling*.

This post was abolished when the Society moved back from Laindon to Basildon. In addition, throughout this period, J.A. Church* was a member of the Centre committee in his own right.

ROLL OF HONOUR - AWARD WINNERS

Until 1985, the annual competitions were held in the Spring. In that year, they were changed to the autumn, hence the holding of the competitions twice in one year. The competitions were later split between Spring and Autumn, before being recombined circa 2007.
